(Inserted by the First Congregational Church and Community Preservation Committee)

Finance Committee Recommendation From the Floor

Explanatory Note: The Community Preservation Committee has approved this article. Reverend Samuel Philips was assistant and successor to Rowley's founder and first minister, Rev. Ezekiel Rogers. This diary/journal begins on or about 1660 and is considered to be one of the earliest records in our town's history as any and all records maintained by Rev. Rogers were destroyed by fire in 1660. The diary/journal consists of approximately 542 pages and, as far as can be determined, contains both church and town records since at this point in time there was no clearly defined separation between the entity that existed as a church and the municipality. It has been suggested that although it is not known precisely what is contained within the pages of this document, due to its present fragile state, this may well be one of the nation's earliest records of pre-colonial America, perhaps documenting the seeds of democracy in the new world. The \$12,000 request reflects an estimate from The North East Document Conservation Center to stabilize, restore and digitize the Diary/Journal. Upon completion of this project, digitized copies would be made available to The Rowley Public Library, the Town Clerk's Office, etc. to allow public access for research purposes.

ARTICLE 16: To see if the Town will vote to amend section 4 of the Historic District Bylaw by adding to such section the words and punctuation marks that appear in **bold** within parentheses, as shown below:

Section 16. There is hereby established under the provisions of Chapter 40C of the General Laws an Historic District Commission, to have all the statutory powers and duties of an historic district commission thereunder, consisting of seven members to be appointed by the Board of Selectmen in accordance with the provisions of the statute. The initial appointments to membership in the Commission shall be as follows: two members appointed for a term of one (1) year; two members appointed for a term of two (2) years; and three members appointed for a term of three (3) years. Vacancies shall be filled in the same manner as the original appointment of the unexpired term. **(The Board of Selectmen may appoint three residents of the Town to serve as alternate members of the Historic District Commission for a three-year term. The Chairperson of the Historic District Commission may appoint an alternate member to act on applications, in the case of absence, inability to act, or conflict of interest, on the part of a regular member of the Historic District Commission, or in the event of a vacancy on the Commission.)**

(Inserted by the Board of Selectmen)
