(Inserted by the Board of Selectmen)

The Environmental Protection Agency administers the NPDES Permit Program, which was established under the federal Clean Water Act. Greenscapes is a regional education and outreach program designed to protect the region's waters by offering a myriad of resources for Rowley residents such as reference guides, workshops, coupon discounts for rain barrels and newsletters.

ARTICLE 7. To see if the Town will vote to transfer and appropriate the sum of \$15,000 from the Stabilization Fund to be used by the Board of Selectmen for the purchase and installation of a new water meter and backflow preventer units for the Pine Grove School or take any other action relative thereto.

(Inserted by the Board of Selectmen)

Finance Committee Recommends

Explanatory Note: A routine inspection of the water meter showed that the existing meter is not working correctly and backflow preventer units must be installed. It is imperative that these items be replaced as soon as possible for health and sanitary reasons.

ARTICLE 8. To see if the Town will vote to transfer and appropriate the sum of \$9,131 from Line 89 (Highway Department Wages) to be added to the following wage lines of Article 5 of the Annual Town Meeting of May 19, 2008 as stipulated in the Memorandum of Agreement with the American Federation of State County and Municipal Employees (AFSCME):

These funds are available for appropriation because a laborer position has not been filled in the Highway Department. Wage increases for Highway Department union positions are not shown in the table above because the funding source for this appropriation is the Highway

Department wage line. Some union wages lines are not listed in the table above, because there are sufficient funds in their FY 09 budgets to cover this increase.

(Inserted by the Treasurer/Collector)

Finance Committee Recommends

Explanatory Note: MGL c.60 section 15 authorizes the Collector to charge a fee for issuing demands of not more than \$30.00. The Collector recommends \$15.00.

ARTICLE 14. To see if the Town will vote to transfer and appropriate the sum of \$500 from Article 14 of the November 5, 2007 Special Town Meeting, to be used by the Board of Selectmen for a Merrimack Valley Planning Commission regional assessment study of police and fire department operations or take any other action relative thereto.

(Inserted by the Board of Selectmen)

Finance Committee Recommends

Explanatory Note: A new state law regulating trench safety requires municipalities to designate a board or officer to be responsible for the issuing of trench permits. Passage of this article is necessary for the Town's compliance with the new law and accompanying regulations, which go into effect on January 1, 2009.

ARTICLE 16. To see if the Town will vote to amend the Dog Bylaw of the General Bylaws of the Town of Rowley by adding to such sections the words and punctuation marks that appear in **bold** within parenthesis, and deleting from such sections the words and punctuation marks that appear in *italics* within brackets, as printed on pages five and six of the October 27, 2008 Special Town Meeting Warrant:
