COVID-19: Protect Yourself, Your Family, and Your Community

MassNotify
COVID-19 Exposure Notifications

MassNotify is a new smartphone tool to alert users who may have been exposed to COVID-19.
- **You opt in:** You enable MassNotify on your smartphone.
- **Anonymous & private:** MassNotify codes contain no personal information or location data.
- **You will be notified:** If another user you've been near tests positive for COVID-19 within a 14-day period.
- **If you test positive:** You can choose to report your results; MassNotify anonymously notifies other users.
For more information and guidance on how to enable MassNotify on your phone visit: **Mass.gov/MassNotify**

OR just point your smartphone camera at this QR code.
