A. Project Information (cont.)

6. Did the Stormwater Management Permit for this project, or the portion of the project subject to this request, contain an approval of any plans stamped by a registered professional engineer, architect, landscape architect, or land surveyor?

Yes

If yes, attach a written statement by such a professional certifying substantial compliance with the plans and describing what deviation, if any, exists from the plans approved in the Permit.

No

B. Submittal Requirements

Requests for Certificates of Completion should be directed to the issuing authority that issued the final Stormwater Management Permit (SMP). If the project received an SMP from the Conservation Commission, submit this request to that Commission.
