RE: *Request for Extension of Order of Conditions, DEP File Number 63-0625
Danielsville OSRD, land off Daniels Road; Rowley Assessor Map 9, Parcel 23*

Dear Chairman Shinnick and members of the Commission:

On behalf of Danielsville, LLC, we respectfully request an extension to the Order of Conditions originally issued on October 20, 2014 for proposed work regulated under the Wetlands Protection Act, G.L. c. 131, § 40 and the Rowley Wetlands Protection Bylaw. The Order was recorded at the South Essex Registry of Deeds in Book 41232, Page 433.

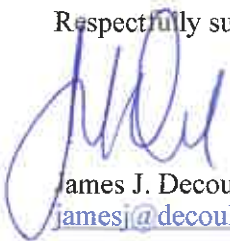

The reason for the extension request is that construction work related to the Order has not been completed. As you are aware, the project is well under way and Danielsville has recently completed the installation of stormwater management controls, utilities and the placement of a binder pavement coarse for the new road. We expect the work to be completed within nine months, but as a safeguard, request an additional 24 months to fully complete the work under the Order.

For the foregoing reason, we respectfully request an additional extension of two years, until January 25, 2026, to complete the work approved in the Order of Conditions. Enclosed are the following:

1. Check in the amount of \$100 to the Town of Rowley for the extension request;
2. Wetland Bylaw Fee Calculation Form; and
3. Rowley Conservation Commission Checklist for an Extension Request.

Please feel free to contact either Ted Speros or myself if you have any questions or concerns. Thank you.

Respectfully submitted,

James J. Decoulos, PE, LSP
