**Re: Stormwater Permit Application 58-66 Forest Ridge and ROW, Rowley, MA
DEP File # 063-0747**

Dear Conservation Commission Members,

On behalf of Gateway II Realty Trust of 1997 (Applicant), Hancock Associates respectfully submits this Stormwater Permit Application to the Town of Rowley for the proposed construction to reduce the length of the existing roadway and construct a new ±18,000 S.F. footprint industrial/warehousing building on the subject site on Forest Ridge Drive, Rowley, MA. Associated improvements will include paved vehicular and pedestrian areas, 89 parking spaces, landscaped areas, utility services, and additions to the existing stormwater management system.

The project area is currently comprised of undeveloped land but is part of a partially completed industrial park. The industrial park and drainage system were designed by Meridian Associates, Inc. (hereinafter "Meridian") While the entirety of the industrial park has not been constructed, the Best Management Practice (BMP's) of drainage system have been. The drainage system is comprised of deep sump catch basins and drain manholes connected to sediment forebays and infiltration basins, via a network of pipes. The discharge point for the project currently proposed is an infiltration basin called "Pond 3" in the Stormwater Analysis and Calculations for Forest Ridge (hereinafter "the Stormwater Analysis"), dated January 21, 2000, last revised March 15, 2006, by Meridian. This document was also used as the basis of this design.

Hancock Associates respectfully requests that the commission waive the requirements to provide two (2) copies of the stamped, signed, and dated site plan and drainage calculations and the stormwater calculations as they have been previously submitted to the conservation commission on June 5th, 2023, and associated with a Notice of Intent (DEP File #063-0747).

The project SWPPP is currently being prepared and will be submitted to the commission as soon as it has been completed.

Please do not hesitate to contact me should you have any additional questions or concerns. I can be reached at 978- 777-3050 ext. 401 or cwear@hancockassociates.com.
